.....  
There are approx 4 hours of video content and you should allow at least 4 days of working time to complete the course. You will have full access for 1 year should you wish to repeat or redo tasks.

## Materials Needed

- .....
- paint (acrylic or oil) in the following colours
  - Titanium White
  - Lemon Yellow
  - Cadmium Yellow
  - Cadmium Red
  - Alizarin Crimson
  - Ceurlean Blue
  - Ultramarine
  - a palette knife
  - some cartridge paper or sketchbook

NB this workshop was filmed right at the start of our first national lockdown in the UK! It has a 'homemade' feel, offering a warm and friendly workshop experience.

This workshop will guide you through both the theoretical and practical aspects of colour mixing and understanding. It will look at how to use just 6 colours to create a huge array of hues and tones, including how to mix black and grey from colour.

This course can act as an essential guide for colour understanding.
